## Automatic Debit Authorization

I authorize Sallie Mae Servicing Corporation (SMSC) and its successors and assigns to initiate electronic debit entries to my checking or savings account indicated below and I authorize the financial institution ("BANK") named below to debit these entries from my account. This authority shall remain in effect until SMSC and BANK have received notification from me of its termination in such time and in such manner as to afford SMSC and BANK a reasonable opportunity to act on it, or until my loan account has been paid in full, or until SMSC or BANK has sent me ten (10) days' written notice of SMSC's or BANK's termination. If I choose to terminate this authorization to debit my account, I will notify BANK in accordance with my agreement with BANK. I understand that SMSC will notify me of any changes in the dollar amount debited from my account. If I am past due on my loan payments because of my financial circumstances, I request a forbearance to cover all my payments due before automatic debit begins. Unpaid interest may be capitalized (added to my loan principal) no more frequently than quarterly and at the end of the forbearance.
